## **International Credit Union Week™** **October 15 - 19, 2018**

October 18, 2018, will mark the 70th anniversary of International Credit Union Day. This year's theme is "Find Your Platinum Lining." It combines the traditional gift of platinum for 70th anniversaries with a play on the saying "every cloud has a silver lining."

Credit unions all over the world will be celebrating the history and the success of the "People-not-Profit" philosophy. This year's theme emphasizes the credit union movement's loyalty to its members and its mission to provide them financial support and guidance.

Today, over 235 million people are served by credit unions in 109 countries and 6 continents.

**Join us for refreshments, snacks and giveaways during the week!**
