Give Back this Holiday Season

The holiday season is about giving back to others and to your community. You can do this with your family, friends or on your own. Here are a few ideas to get you started.

1. **Bake Cookies.** Ask a parent to help you bake these. Hand out your homemade cookies to your local fire departments, police stations or even an elderly neighbor.
2. **Visit a nursing home.** Schedule a visit to the nursing home by calling ahead. Make homemade cards and bring decorations to brighten up the nursing home rooms or sing a few carols for the residents.
3. **Wrap presents for donations.** The money that you earn can be donated to a local charity.
4. **Donate food to a pantry.** Ask a parent to take you with on their next shopping trip to pick up non-perishable items for a local food pantry. Pantries are always in need of extra food around the holidays. Look through local ads to get the best deals.
5. **Clean out your toy box.** If you don't use any of your toys or games, donate them to a local shelter or nonprofit.

What greater gift can you give than the experience of bringing joy to someone else? It is a powerful feeling!
